

Hello! My name is **Anna Bírová** (my family and friends call me **Anička**). I attended the Comenius University in Bratislava and graduated with a Master of Education degree with qualified teacher status, majoring in English and Physics. Becoming a teacher was my dream since I was a little girl. My teaching experience started at the Middle school in Bobrov. I have taught there the English language for a year the children of age 8 to 14 years old . Then I continued my career at the Middle school in Bratislava for another year. After my maternity leave I decided to join the private kindergarten in Senec as a pre-school teacher for 3 years.

I am a mother of two boys, Oliver is 12 and Marco is 8 and both of them attend the Middle school in Nova Dedinka, where we live. I love spending my spare time with them and my husband by playing games, bicycling and having lots of fun all together. I also love travelling very much. I had an opportunity to travel a lot when I worked as a fly attendant for an international and multicultural airline Qatar Airways. It was a great experience to work and get to know the people of different nationalities and cultures.

I am very excited to become a part of the family called Benjamin Preschool. I would like to create a happy and positive environment where the children would feel like at home and consider each and every child as an individual in order to feel welcome, confident and safe in the classroom. I am looking forward to meeting you all.
