

My name is **Michelle Manyeza** and I've been part of the Benjamin Preschool team since 2018. During the past five years I've had the pleasure of working at both the Benjamin Senec and Pezinok branches as a Kindergarten head teacher, Music and Drama teacher, as well as the English Club teacher.

I received my training Teaching English as a Foreign Language to Young Learners (TEFL-YL), through an Italian Ministry of Education accredited teacher training program. This allowed me to gain experience teaching English to young learners of varying ages, and language abilities across different schools in Italy.

I also have a passion for the arts and creative learning. I studied Classical Music and Vocal Performance in Vienna, and have had many years of experience being on the stage. At the start of every school year, my goal is to tap into each child's individual sense of creativity, and give them an opportunity to build confidence expressing themselves, through engaging music, speech, and drama activities.

In my spare time I enjoy discovering and playing new music, learning languages, and traveling.
