

My name is **Drahomíra Javorínska** and I've been working with children for 39 years. In 2008 I got a chance to work for newly established Benjamin Preschool so ever since then I work here as an assistant. I am helping in the morning when children arrive to preschool, I read them stories and play with them, and I'm also preparing beds for nap time and serve lunches at lunch time.

I have my own 4 beautiful grown up children and 7 grandchildren, while my oldest grandchild is 22 years old and the youngest is 2 year old. Children are my joy and my life at the same time, recharging me with energy, enthusiasm and taste to overcome everyday joys and sorrows.
