

My name is **Mary Krutá** and I will teach your child in Preschool class for 2-3-4 year olds.

I have a master's degree in special education from Comenius University in Bratislava and a postgraduate degree from the Secondary school for Pedagogy. I assisted in an American preschool in Sunnyside, Washington for a few weeks. I have a 12 year old daughter Olívia who graduated from Benjamin preschool. My second child is Matúško, who is also attending the Benjamin preschool from spring 2022.

I can see how easily kids learn languages and it is great that kids in Benjamin have this opportunity. I have been with Benjamin since its birth and have a place in my heart for it. First, I assisted with afternoon activities and Summer Schools; and since April 2011 I worked as a teacher for 3-4 year olds, 4-5 year olds and 2-3 year olds in Pezinok locations. As I moved I will continue to teach in Senec location. I try to create a home and friendly environment for kids because they learn easier in a nicer atmosphere, both through games and different activities.

I am excited to come back to teach in Benjamin preschool after maternity leave in May 2022 to explore the world through the eyes of little ones.
