

My name is **Daniel Kuciak** and I am I am lecturer and a multi-instrumentalist. I have been collaborating with Benjamin Preschool for many years, providing educational concerts, joint concerts with Benjamin students in Modra, Technopol BA.

From my musical background, I studied music postgraduate in Oslo, Norway, with specification for piano, oboe and jazz.

I am the owner of the Daniel Music Academy in Rovinka. I work with children in preschool age, in private preschools as a lecturer of music workshops, mostly focused on piano, but also saxophone, guitar, recorder, vocals, drums. The best students of the academy, mostly piano players, represent the academy in public concerts and events.

In the field of popular music, I, along with my son Simon, have possibly the greatest success with the electric guitar in the musical A.L. Webber's "School of Rock," directed by Ján Ďurovčík. There, I received an offer, alongside IMT Smile, to work on the musical piece both musically and with the children's band.

I look forward to guiding your little ones during exploring and discovering other horizons of their beings and developing a deep enriching relationship with music for the rest of their lives
